

4x4 Off Road Driving

Course Details

- Title: 4x4 Off Road Driving
- Product Code: CLVF01X
- Type: Training Course
- Duration: 2 Days

Driving a 4x4 vehicle off road requires ability and skill, especially if driving off road is part of your everyday working life. Our training course will provide you with experienced instructors who will guide and advise you throughout the course ensuring that the key fundamentals of 4x4 vehicle driving are covered. Once the course has been completed and passed you will gain a certificate of training in professional 4x4 off road driving.

Who is it for?

This course is for the off road enthusiast driver who operates 4x4 vehicles, and who wants to gain recognised certification for it. As long as you hold a current driving licence and are able to demonstrate that you are a competent driver, then this professional 4x4 off road driving course is for you.

What will you get from it?
