

4x4 Off Road Driving (Experienced)

Course Details

- Title: 4x4 Off Road Driving (Experienced)
- Product Code: CLVF04X
- Type: Training Course
- Duration: 1 Days

Driving a 4x4 vehicle off road requires ability and skill, especially if driving off road is part of your everyday working life. Our training course is for individuals who have previously received accredited training in 4x4 driving, our experienced instructors will guide and advise you throughout the course ensuring that emphasis is placed on the sessions where you require additional training requirements. Once the course has been completed and passed you will gain an industry recognised certificate in training for experienced 4x4 off road driving.

Who is it for?

Our course is for the 4x4 vehicle user who has previously received 4x4 accredited training. As long as you hold a current driving licence and are able to demonstrate that you are a competent driver, then our experienced 4x4 off road driving course is for you.
